

Corporate Shoots and Events

Ernest Hemmingway said, "A bad day shooting, is always better than a good day in the office", or, at least he should have said it!

Situated in the heart of the winelands on 40 hectares, between Durbanville and Paarl, we are Africa's premier shooting ground. Our internationally acclaimed ranges have targets for everyone from the first time shooter, in between and the most competitive. Or, just watch and enjoy a glass of wine or a cold beer at the clubhouse.

Let us with experienced instructors, handle your corporate shoots, be it **team building** with your own staff, or **networking with your clients**.

We also do company **end of year events** for an adventure your staff will not forget.

We can promise you an **unforgettable experience** of breaking clays in flight with a shotgun ensuring that the shared experience is long remembered after the event.

Our club house has full amenities, food and a licensed bar

We cater for sandwich and finger platters from the simple to the sophisticated.

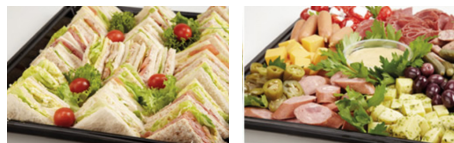

We can do braais and braai packs for self braai, and spitbraais including a mouthwatering selection of salads and deserts.

On Wednesdays and Saturdays, our pizza oven is lit for amazing pizzas (enjoyed with a great bottle of wine or a cold beer).

All bookings and payment via our website www.valleygunclub.co.za or call our manager for details

We cater for everything, guns, ammunition, food, drinks and an unforgettable experience!

just bring your staff or friends and enjoy!
